Crown has approved the distribution of this FSG.

Why you should choose Crown

We aim to provide personalised, responsible advice suited to your objectives and believe that sound advice and planning is the key to improving your financial position.

We undertake continuous professional development and training programs so we are up to date with legislative changes to superannuation, investment, social security and tax environments.

We have access to technical, risk, and investment research professionals who provide us with additional analysis on strategies and products that become available as a result of these changes.

Our financial advisers will help you determine your goals and weigh up different investment strategies to achieve them.

Most importantly, we turn your thoughts into action. There are no secret formulas to achieving financial security. We work with you to get the basics right and ensure you have a plan to achieve your goals over time.

Crown's financial process

Everyone has different circumstances, needs and goals. We treat every client as an individual, but follow a defined financial planning process, to make sure you know what to expect from us.

Identifying where you want to be

We help you identify your financial and lifestyle goals and explain the services we offer to help you achieve them. The type of advice you need could depend on your life stage, the amount of money you want to invest and the complexity of your affairs.

We will help you to identify the range of issues that need to be addressed to meet your goals. You can then decide whether you want our advice to meet a single need or broad range of issues.

Considering opportunities and risks

Good personal advice starts with understanding your current situation. We take a close look at your current financial situation—assets, debts, income, expenses and insurance, and explore the options you could use to reach your goals.

Bridging the gap

Based on the research we have conducted, we will recommend a strategy to bridge the gap between where you are now and where you want to be.

Bringing your plan to life

We work closely with you to implement your financial plan. We help you to complete any necessary paperwork and are available to liaise with your accountant, solicitor and general insurer so that your strategy is implemented efficiently.

Staying on track with regular ongoing advice

Time goes on and circumstances and needs change. The final step in our advice process ensures your financial plan remains on track, by providing you with regular ongoing advice. We design an ongoing service arrangement to ensure your plan remains up to date as your life changes so you can obtain the benefits of ongoing reliable advice.

Sometimes, life takes us in unplanned directions. When you need a little extra help on top of our initial or ongoing advice, just ask us to provide you with some additional advice. We are there to help you – whatever the occasion.

Advice Crown can provide

Crown maintains an approved product list containing financial products that have been researched by a number of external research houses and assessed by Crown's Investment Committee. A copy of the approved product list can be given to you if requested.

We may recommend products and platforms promoted or issued by our product partners if appropriate to your needs.

Please refer to your adviser's profile for a list of strategies and products they can recommend.

Documents you may receive

Our initial advice will be provided to you in a financial plan, known as a Statement of Advice (SOA). The financial plan contains a summary of your goals and our advice to help you achieve them. We will keep a record of any further advice we provide you for seven years. You may request a copy by contacting our office.

You will also receive a Product Disclosure Statement (PDS) if we have recommended you invest in or purchase a financial product. The PDS contains key features of the recommended product, significant benefits, risks and the fees you pay the product provider to professionally manage your investment or insurance.

You should read any warnings contained in your financial plan or the PDS carefully before making any decision relating to a financial strategy or product. You can contact your adviser directly with any instructions relating to your financial products

How you can provide instructions

You may specify how you would like to give us instructions. You can give us instructions or information verbally or in writing. In some situations, we will require your instructions to be in writing. We will advise you what information we need or what documentation we need you to complete and sign.

How Can You Instruct Us?

You may instruct us in person, by phone or email. It is important that you provide us with complete and accurate information otherwise the advice we give you may not be appropriate for your needs.

Please tell us about any changes in your circumstances so that we can confirm that our advice continues to be suitable for your needs.

How are we paid?

Commission	<p>Crown Wealth Group Pty Ltd, after deduction of licensing fees and other associated costs, will pay Wise Advice Financial Services Pty Ltd 100% of the gross revenue received.</p> <p>Crown receive a commission from the Insurance product provider with whom your business is placed. The amount varies depending upon the product, in the range of 30% - 80% of the premium (excluding taxes and statutory charges).</p> <p>Details of the commission will be outlined to you in your Statement of Advice.</p> <p>The commission is included in the premium quoted to you and therefore not an additional cost.</p> <p>Ongoing commissions may also be payable upon renewal of the policy and these will be disclosed to you by your Adviser and within the Statement of Advice.</p>
Adviser Fees	<p>We may charge you an Adviser fee for arranging a product and/or an ongoing management fee. The amount depends upon the type of product and is specific to your circumstances. It is generally dependent on the complexity, number of strategies and recommendations.</p> <p>All fees will be disclosed to you by your Adviser in your service agreement and within the Statement of Advice. ------------------	--

Ongoing service

Depending on your requirements, we can provide different levels of service, from advice on a particular product only to the preparation of a comprehensive financial plan. Your adviser will explain the available service levels together with the associated fee options to enable you to decide the types of services you require going forward to maintain your strategy.

Although the success of our business is based on our commitment to ongoing review of your circumstances, portfolio and strategy, you are able to tell us how often you would like us to undertake a review of your financial situation. We recommend that reviews should be undertaken at least 12 months

If I cancel in the cooling-off period, will I receive a refund of the initial advice fee?

We understand there are circumstances where you may change your mind following our first meeting. For this reason, we provide a **5-business-day cooling-off period**. If you do not provide to us with written notice of your intention to proceed within the 5 business days, then you are legally bound by any agreement that you have made with us. We believe that this is a fair arrangement considering the labour and expense that we will incur in developing strategies, documenting this and preparing paperwork within the 5-day period following our initial interview.

“ As a professional financial services provider, we are committed to acting efficiently, honestly and fairly. We value your support and appreciate any feedback that will help us to meet your expectations and needs. ”
